

ROLFF-A in Context:

Unity of Civ-Mil Effort & Civilian Leadership in RoL

1. United Nations Assistance Mission in Afghanistan (UNAMA) and the Special Representative of the [UN] Secretary-General (SRSG)

- Per UNSCR 1917, lead all international civilian efforts in Afghanistan in accordance with London Conference Communique and guided by the principle of reinforcing Afghan ownership and leadership (i.e., ANDS, NJSS)

2. Chief of the U.S. Diplomatic Mission in Kabul

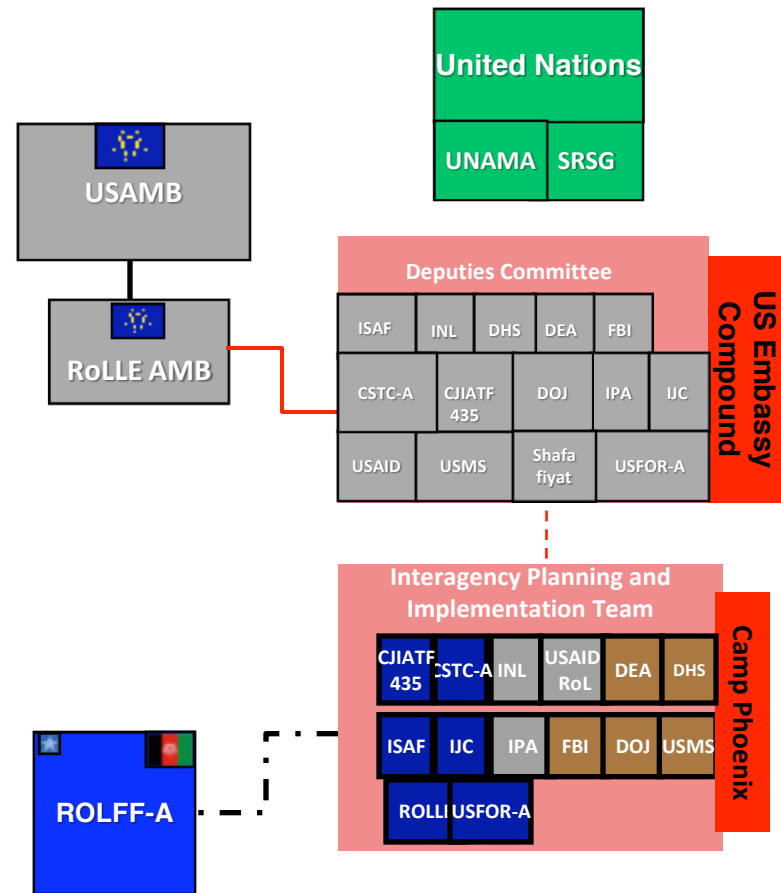

- Policy lead within the new U.S. Government organization for promoting RoL in Afghanistan.

3. Coordinating Director for Rule of Law and Law Enforcement (ROLLE)

- Unity of civil-military effort in rule of law programs and activities by the U.S. will be attained through regular meetings of the Deputies Committee (DC) and full-time work of the Interagency Planning and Implementation Team (IPIT).

4. ROLFF-A

- Implement the policy guidance of the ROLLE Coordinating Director, as formulated by the DC and IPIT, thus assuring appropriate civilian leadership of rule of law efforts.

ROLFF-A participates in the DC and IPIT assuring these organs and the ROLLE Coordinating Director receive best field professional advice in RoL planning and implementation.
